

As created by Honoring Our PACT Act

38 U.S.C. § 7330D. Coordination of toxic exposure research

(a) IN GENERAL.—The Secretary shall coordinate all research activities carried out or funded by the executive branch of the Federal Government on the health consequences of toxic exposures experienced during service in the Armed Forces.

(b) STRATEGIC PLAN.—In carrying out subsection (a), the Secretary shall establish a strategic plan, to be known as the Toxic Exposure Research Strategic Plan, to ensure that the research activities specified in such sub16 section are collaborative, transparent, and highly coordinated.

(c) REPORT.—Not later than one year after the date of the enactment of the Honoring our Promise to Address Comprehensive Toxics Act of 2021, and annually thereafter, the Secretary shall submit to the Committee on Veterans' Affairs of the House of Representatives and the Senate a report on any research activities specified in subsection (a) carried out during the year covered by the report.
